

TUM Global Visiting Professor Program Call for Proposals

Purpose	■ Facilitation of new and innovative approaches in cutting-edge research fields. ■ Diversify and internationalize the curricula with complementary research-oriented teaching ■ Attract distinguished international professors for long-term engagement with TUM (e.g. in the framework of a TUM-IAS Fellowship)
Funding Period	■ One week to three months
Deadlines	■ December 31st → earliest start of visit: April 1st ■ March 31st → earliest start of visit: July 1st ■ June 30th → earliest start of visit: October 1st ■ September 30th → earliest start of visit: January 1st
Eligibility	Exclusively TUM professors and TUM Junior Fellows are entitled to submit proposals. Self-nominations are not possible.
Supported Activities	■ Joint research projects (new and ongoing). ■ Preparation of research proposals and future research collaborations. ■ Exploring the possibility of a more long-term collaboration in the framework of a TUM-IAS Fellowship Program (Anna Boyksen, Hans Fischer (Senior) or Rudolf Diesel Industry Fellowship) ■ Research-orientated teaching in English. Fundamental teaching/courses are not eligible under this program.
Financial Support	■ Travel expenses to/from TUM and accommodation expenses. Please note: Per diem/lunch allowances/entertainment expenses are generally not reimbursable. ■ Teaching assignments (also for online teaching). Please note: teaching can only be funded, if the respective department issues a teaching assignment. The department may set the level of remuneration. Due to the program's significance, a remuneration of a maximum amount of 75 € per lecture hour is possible. A reference to the TUM Global Visiting Professor Program is sufficient regarding accounting purposes for teaching assignments. ■ Honorarium for public lecture (also for online public lecture). ■ Development costs for virtual cooperation/teaching formats. Please note: these costs have to be directly linked to the intended visit/cooperation. Development costs for e.g. general online courses cannot be funded by this program.

Selection Criteria	■ Goals, impact and relevance of the research/teaching cooperation. ■ Added value to TUM's research, innovation and education agenda. ■ Added value for TUM students and young researchers/scientists. ■ Interdisciplinary approach to research/teaching, if applicable. ■ Reputation and complementary expertise of the nominated visiting professor. ■ Alignment with internationalization goals of the TUM department, institute, integrative research center, etc. ■ Sustainability of proposed activities (intended next steps; e.g. joint publications; joint proposal for third party funding; joint application for a TUM-IAS Fellowship; exchange of students and early career scientists, etc.). Successful nominations will be selected by the TUM Board of Management in consultation with a panel of members of TUM central service units.
Application Process	Nominations of potential visiting professors must be uploaded to the MoveOn-portal by the aforementioned deadlines. Please submit the following documents: ■ Application form including ➔ Calculation of foreseen costs (the use of the funds must be directly attributable to the visiting professor. Expenditures for additional research staff or accompanying partners are not eligible). ■ CV (candidate) ■ List (candidate) of five key publications, most relevant to the proposed activities.
