

2026 University of Chicago–Taiwan Student (UCTS) Exchange Program

UCTS program (<https://uctsfellowship.uchicago.edu/>) was initiated in 2023 and aims to enhance research collaboration between the University of Chicago and Taiwan. In 2025, we supported exchange of 38 students from UChicago, NTU, NTHU, and NCKU, to perform 3-month summer research. See past activities on the [UCTS website](#).

In 2026 we aim to exchange 30 or more undergrad/graduate students from Taiwan and 15 students from University of Chicago. Focused areas this year include *Science, Engineering and Biomedical science*.

Support for the 2026 fellows will cover summer tuition, fees and housing. We will work with students' home and host institutes to seek sponsorship and facilitate registration and needed visa application. Students coming to Univ. Chicago will be enrolled in the non-degree visiting student (NDVS) program.

If you are a PI... Please let us know if you can offer a research position in 2026 summer. We will share the information with interested students.

If you are a student and are interested the exchange... Please check the list of PIs on the website and inquire the research opportunity.

Application Form for Taiwan Students: [Link](#)

Application timeline

October 2025	Collection of research positions from principal investigators (PIs) at the University of Chicago and universities in Taiwan.
November	2025 UCTS Program announcement online
December	Organization of information sharing session for Taiwan and UChicago students.
January 31, 2026	UCTS Fellowship application deadline
February 28, 2026	Announcement of the 2025 UCTS fellows
June-August, 2026	Duration of summer program.
