

# International Environmental Education Exchange Activity

---

## Registration Guidelines

### 1. Purpose of the Event

To strengthen the connection between Miaoli County and global environmental education trends, and to enhance participants' knowledge of sustainability, language proficiency, and multicultural literacy.

This activity will be held at Xuejian Recreation Area, Shei-Pa National Park, where international students and local participants will experience Atayal culture and Taiwan's mountain environment. Through cultural exchange and environmental education, participants will broaden their international perspectives and foster innovative thinking

### 2. Organizers

- **Guidance Unit:** Miaoli County Government
- **Organizer:** Environmental Protection Bureau, Miaoli County Government
- **Co-organizer:** Shei-Pa National Park Headquarters, National Park Administration
