

ANTI FRAUD- ONLINE SHOPPING

SHOPPING SCAM

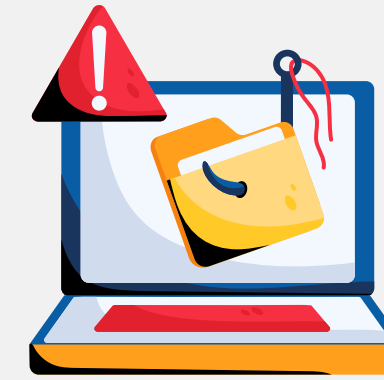

One-Page Sellers

**No contact info?!
No return policy?!
No physical store?!
Just a low-follower
Facebook page. ▶**

Unknown Sellers

Only accept bank transfers, refuse cash on delivery, and block you after payment. 🚫

Fake Websites

Scammers copy real sites and emails to steal your credit card info.

SHOPPING SCAM

**Shopping
Phone
Scams**

Calls claiming payment errors or order mistakes. Never share your credit card details! 

**Fake COD
Packages**

Wrapped packages hiding wrong items. Verify sender and amount before paying.

SHOPPING SCAM

**Smishing
(SMS
Phishing)**

**Unfamiliar texts with links?
Don't click!
Protect your banking info. 🗝️**

**Fake Delivery
Calls**

**Scammers posing as couriers
trick you into accepting fake
packages, then demand
payment. 🚚**

What to do?

Use Reputable Platforms

Choose sites with a clear return & refund policy to protect your rights. 

Verify the Seller

Check for customer service numbers, official websites, and multiple contact methods. 

Avoid 'Too Good to Be True' Deals
Scammers use super low prices to lure victims. No shipment, no refund! ❌

What to do?

Beware of Fake Calls

Scammers pose as customer service after purchases. Hang up & verify via official channels. 📞

Check Seller History

Read reviews carefully. A sudden flood of positive reviews? Might be fake! ⚠️

Stay Updated on Scams **UPDATE**

Fraud tactics keep evolving. Follow news & warn family & friends. 📰

What to do?

Call 165 Anti-Fraud Hotline

Suspect a scam? Call for help immediately! ➡

Ask Before You Pay

Unsure? Consult teachers, staff, or the police before making a payment.

ANTI-FRAUD

Scammers scheme and tricks refine, stay alert and you'll be fine.

Verify before you pay, don't let fraudsters take your pay.

Unknown calls may be a trap, double-check before the tap.

Fraud awareness is the key, or your money may not be free!
