

National Tsing Hua University's Direct Admissions of Overseas Compatriot
Students, Hong Kong and Macao Students for Affidavit of No Household
Registration in Taiwan

I, _____ (please enter full Chinese name), possess permanent resident status in _____ (Hong Kong or Macao), and also hold _____ nationality (please specify foreign nationality). I am applying to pursue studies in Taiwan in 2027. I meet the requirements stipulated in Article 23-1 of the Regulations Regarding Study and Counseling Assistance for Overseas Compatriot Students in Taiwan, which states: "If an overseas compatriot student of foreign nationality who is eligible for permanent residence in Hong Kong or Macao, who has never had household registration in Taiwan, and who has been living in Hong Kong, Macao, or elsewhere overseas for six or more consecutive years in the immediate past is applying for admission to a university, their study and counseling assistance matters may be handled, mutatis mutandis, in accordance with the provisions of these regulations until any amendment to any law(s) on these matters comes into effect. Please note that a minimum of eight consecutive years of overseas residency is required if the person is applying to study in a university department of medicine, dentistry, or Chinese medicine in Taiwan." I hereby confirm that I have never had household registration in Taiwan.

I therefore request permission to proceed with the application. If, upon verification, I am found not to have met the requirements of Article 23-1, I voluntarily forfeit my admission eligibility without objection.
